“Once in life, the moments we want more, and the things we pray for... to get them, it will make you cry”

- moryasshan

Scene 1

(an intense sound showing a girl name x walking from a hallway)

(X enters a room where a gate reads "CHIMERA.")

(Inside a classroom, students appear to be sleeping but are actually lost in their thoughts. X stands still, watching them, waiting for everyone to come back to their senses.)

(as soon as MORYA AND X see each other with a unplanned meet manner)

(on table conversation between Morya and X)

MORYA (OS):

Yes, what's the matter?

JAI EKLING JI HUKUM

X (OS):

I want to overcome something. Something that still hurts me.

MORYA (OS):

Hurts? What?

X (OS):

My heart.

MORYA (OS):

Then what do you expect from me?

X (OS):

Healing. I expect healing, and I know... no one but you can do it for me.

MORYA (OS):

And why do you think that?

X (OS):

Because we have a past... a past that, so far, was the best moment of my life.

MORYA (OS):

Past is gone

You forget me in your past and now you want me to help you for future

(X stands in anger walks out of the room, tears in her eyes, but suddenly stops.)

MORYA (OS):

Stop! Freeze right now!

The problem is not what you see. It's in your mind that's making you feel betrayed, bad, crazy... It's your mind, not you.

And to solve it, you need to understand your mind. You have to go into your mind.

X (OS):

And I don't know how to.

I need you. Take me out of this dilemma.

(Morya will have a apple on his table ... in further scene he will always have an apple in his hand on table while he is in mind because the apple will let him know he is in his mind because in mind he cannot eat apple because it is just a projection)

Scene 2

(Morya and X sit in a little dark classroom, preparing to share each other's minds.)

MORYA (OS):

In the mind, try to resist your unreal imagination because we're finding you, not your perception or your imagination.

X (OS):

But reality defines me... and my destination.

(Morya and X look into each other's eyes, nervously. Then they lean each opposite to each other , close their eyes, and hold hands.)

Scene 3

(Bright sunlight fills the scene; nature is shown with great cinematography. Suddenly, eyes begin to open, focusing on X. Meanwhile, they are walking during the dialogue.)

X (OS):

(looks a little confused)

Why are we here?

MORYA (OS):

To find the enemy, you should know the place from where it all started.

It's not just a place; it's your mind.

(OS):

No, it's not. My mind doesn't look like this.

MORYA (OS):

Of course it doesn't, because I am controlling it.

X (OS):

Wait . ..Why you? Why not me? Let me control it.

MORYA (OS):

Not right now... you are not fit for it.

X (OS):

I know.. but let me try . I don't like someone controlling my mind.

MORYA (OS):

Alright, your mind is all yours.

(Morya claps, and suddenly the scenario changes. Many random people appear around her. They start clapping and shouting all of them started coming towards her . She begins to panic and suddenly comes out of her mind, breathing heavily. Morya was already awake, looking into X's eyes.)

Scene 4

X (OS) (breathing heavily)

What was that?

MORYA (OS):

Your mind.

X (OS):

And who were they?

MORYA (OS):

Random projections that may look familiar, but they are stressful, bad, sometimes exhaustive... often classified as OVERTHINKING.

Controlling the mind is not easy; it requires a path.

Let me control it...

TRUST ME?

X (OS):

(shaking her head yes in an emotional manner)

(They take their same position with confidence and trust in each other. They hold hands with belief and go into the mind again.)

Scene 5

MORYA (OS):

Welcome to the mind.

(The camera shows both of them seeing many people doing random things, moving here and there.)

X (OS):

Who are they?

(While walking, the dialogue continues, and they pass through the random people.)

MORYA (OS):

Illustrations of our subconscious mind. They may look familiar or they may not.

X (OS):

But they are not hurting, like they were before. How is that?

MORYA (OS):

Because I am not letting them.

The ones you're seeing near me are the representations of the things I loved once.

And the ones who left... (looking at X)

The more you love, the more it hurts.

Anyway, it doesn't matter.

X (OS):

Where are we going now? How will you solve my problem?

JAI EKLING JI HUKUM

(in this scene Morya will make her feel what her mind can do so he goes to cross the path from building one side there will be day and on another side there will be night

This will show her how fast is her mind and X will got shocked while seeing this)

MORYA (OS):

Problems are already solved until we think about them.

Let's explore your mind...

X (OS):

Explore? (looks confused)

(With a clap sound, the scene ends and starts in a physics lab. X is sitting, confused about why she is there.)

Scene 6

X (OS):

Physics laboratory... really? I thought we were exploring my mind.

MORYA (OS):

Yes we are...

X (OS):

Is that what my mind is?

MORYA(VO):

It's not just a laboratory.

It's a section of your mind that you don't like, but it does exist.

(focusing on X)

MORYA (OS):

There are things you don't like, but they do exist in your life.

And you can't escape from them.

But you can still find something you love in them.

Let's see what you love

(The camera focuses again on X, who looks like she is deep in thought.)

(With a clap sound, the scene cuts.)

Scene 7

(Now, the eyes open in a chemistry lab.)

MORYA (OS):

Welcome to the section you like.

What are you feeling now?

X (OS):

I'm feeling light...

MORYA (OS):

Exactly ...Because your mind don't have thoughts, stress ,fear .

The same feeling you might get there if you tell your mind that there's no problem.

X (OS):

And how would I tell?

MORYA (OS):

You don't have to tell.

To control it, just feel it.

Close your eyes. (Morya puts his hands over X's eyes.)

Scene 8

(X's eyes close, and the scene transitions to nature—trees, grass—a feeling of calmness.)

MORYA (OS):

To win from something, you have to stop thinking of that thing.

MORYA (VO):

(Flashback of why X came to Morya. Actually, she was betrayed by a guy who just used her as a thing, fooling her into thinking he loved her. She was suffering from heartbreak, which she couldn't tell anyone about, from a fake love that was nothing more than a lie.)

No matter how bad it looks, no matter how much you feel you've lost...

It hurts, it hurts, it hurts.

Until you know it never meant to do it...

(X is softly smiling, looking at the trees, feeling the calmness.)

X (OS):

It feels beautiful. (smiling, seeing Morya with a tear coming out.)

(Scene cuts.)

Scene 9

(In this scene, X and Morya are in a hallway with many doors. It looks like they are entering one door and coming out of another one. During this, the following voiceover plays.)

MORYA (VO):

Your thoughts are faster than the speed of light.

They can take you from one place to another in no time.

From one mood to another.

From being confident to being nervous...

JAI EKLING JI HUKUM

X (OS):

And how does it work?

MORYA (OS):

Think of it. Your left hand is paining, and suddenly I pinch your right hand...

X (OS):

Aao! Seriously, it hurts. What are you doing?

MORYA (OS):

Is your hand still paining? (X looks confused.)

Is it there?

X (OS):

It's gone for a moment.

MORYA (OS):

Because the actual pain wasn't that big. What your mind was saying was the problem.

Problems look big until another problem arrives.

X (OS):

And the problem wasn't that big, what my mind was telling me.

MORYA (OS):

Exactly...

Scene 10

(Showing how X is beginning to understand the power of her mind. She faces her overthinking, with lofi music and a suspicious piano playing. X goes into her mind again to face her overthinking. She will fail quite a few times, just like before. This time, she's alone but still struggles.)

(She's crying, looking in the mirror, but this time, as a brave girl, she stands. She doesn't give up. She remembers Morya's words, struggling but pushing through.)

MORYA (VO):

Your fight is with you.

The mind will make you feel scared, disheartened, demonized.

No matter what the problem is...

But always remember the one...

The one above it all.

(She will see Morya behind the people, shouting.)

(After this, X closes her eyes and opens them with an acoustic way. Every noise is muted. She is seeing people shouting around her, but she can't hear their voices. She's never felt this good, this light in her life. The dialogue begins to play.)

X (OS):

It feels slow!

It was different from what it was, and how it's gone.

Nothing was troubling until I allowed it.

But I just tell my mind the same thing...

(At last, she smiles at Morya.)

(Scene cuts.)

Scene 11

(Show both Morya and X sitting near a tree.)

MORYA (OS):

That means you won.

X (OS):

You mean we won.

(Morya laughs a little.)

MORYA (OS):

So, whom are you thinking of?

X (OS):

Well... someone.

THE ONE ABOVE IT ALL.

X (OS):

First, tell me, how did you find this way?

You're not what you were.

MORYA (OS):

(smiling, with a tear in his eye)

You want to know how I became this?

I was a heartbreak.

X (OS):

(her smile fades)

A heartbreak?

MORYA (OS):

(Actually, X was the one Morya used to love. She left him and never understood his love, but X doesn't know about it.)

Heartbreak...

From one with whom I spent the best moments of my life.

(Scene cuts.)

Scene 12

(Morya will tell her what happened.)

(Music with a little "Save Your Tears"-like instrumental.)

(Morya, knowing she is no longer with him, cries and goes through the hostel hallway. All his floormates know how much he loved her. He started living depressed he used to cry still he used to cry at night wake at 3 was depressed They all stand by, but one of them decides to help him.)

RONNIE (OS):

Things happen, buddy.

Don't let someone dive so deep into your mind that it might be the reason to destroy you.

MORYA (OS):

So what...

What can I do now?

RONNIE (OS):

Control your emotions, clear your mind.

MORYA (OS):

And what if I can't?

I can't do this.

RONNIE (OS):

If you're saying you can't do this, I've got two meanings:

You don't know how to do it,

or you don't want to do it.

If you're in the first category, then I can help you.

It's your call.

(Scene cuts.)

Scene 13

(Morya comes to meet him after gaining his courage.)

RONNIE (OS):

If you want something you've never had before,

you have to work harder than you ever have before.

JAI EKLING JI HUKUM

(Morya, with tears but no anger on his face.)

(After this, a rock song with electric guitar plays, and a nice soundscape starts.)

(This montage shows both of them running early in the morning, doing gym workouts, meditating to gain control over their minds. All the struggles of Morya will be shown: he cries, he falls, he derails, but still works and gains.)

(A scene shows Morya and Ronnie meditating at a temple. Suddenly, they open their eyes.)

RONNIE (OS):

Now you're ready.

Your thoughts define you.

Make them as positive as you can, and believe in yourself as much as you can.

Thoughts aren't just thoughts until they become manifestations.

(Scene cuts.)

Scene 14

(Back to Morya and X.)

X (OS):

(suddenly remembering something)

Who was she?

(Scene cuts.)

Scene 15

(This scene shows Morya and X holding hands, going together in his mind.)

MORYA (VO):

She was someone with whom I have a past...

A past that, so far, was the best moment of my life.

(Same line X told Morya in Scene 1.)

(Now, the camera focuses on X, and she suddenly realizes that Morya was actually loving her. X has a tear in her eyes.)

(Scene cuts.)

Scene 16

(In the same hallway where before, Morya and she walked.)

(Morya walks alone this time, seeing every room in the hallway and smiling.)

But in his mind, he is seeing him and X in every room, still together.

MORYA (VO):

You know why I wanted control of my mind?

Because I never wanted to lose the one I love the most.

No matter what happens in real life,

I was and I will always be with you in my mind.

(The scene goes back to both of them in reality. They both cry and touch their heads while holding hands.)

(Scene cuts.)

Scene 17

(It's a normal, sunny day. The scene shows a café with people inside.)

(A sweet piano sound plays.)

(Morya comes into the café, sits at a table, and sees an apple on the table.)

(This time, he holds it hesitantly and takes a bite, smiling bigger than ever, because it's reality. And in reality, he is with X on a date.)
